“ADOPT IMESI-EKITI: A TECH & ENTREPRENEURSHIP SCHOLARSHIP INITIATIVE FOR TEENAGERS/YOUTHS IN IMESI-EKITI.”

Young people have unfortunately been called all sorts of names, blamed for all sorts of ills in the society and have been used from time to time by greedy and unpatriotic elites, with an alarming rate of school drop-outs, early co-habitation, cultism et al due to unwanted pregnancies, lack of funds, unemployment and lack of motivation; This initiative provides a way forward through initiating sponsorship of tech and entrepreneurship education for teenagers/youths in Imesi-Ekiti. This will play a major role to mobilize, train, equip them with high income skills and position them to be active key players and contributors to the emerging technology and entrepreneurship driven world. ‘

Economic development is initiated by the practical application which can be best achieved by knowledge from technological and entrepreneurial skills which advances the economy.

Adopting this initiative will serve as a testament of your goodwill for the people and your dedication to build capable and qualified human resources.

PROJECT IMPLEMENTATION:

Hephzibah Team Limited, a registered project management firm will implement this project through “HR Computer Solutions” and “Jay and Ruby Leather Craft” in our facility with a conducive lecture/workroom room, constant electricity, installed AC and Security personnel’s to provide a conducive and safe space for learning with available provision for hostel and transportation.

HR Computer Solutions is a reputable registered firm which provides unique tech and innovations, entrepreneurship and leadership training and consultation services. HR runs a tech and entrepreneurship training center where seasoned resource persons with a well-structured one month and three months program respectively to move students through the three learning phase. They are:
